INFINITO 2025 COD MOBILE RULEBOOK

Date : 7 October - 9 October, 2025

Venue : Online

GENERAL :

- Tournament schedules will be posted by IITP Esports before the tournament starts.
- The IITP Esports team will work under the assumption that each participant is aware of all the rules and checks them regularly although significant rule changes will be communicated. A lack of knowledge of the rules will not be used as an excuse for rule breaking.
- Players who take part are required to play with the user id they have specified. In the event another account is going to be used, submit this to the IITP Esports team at the earliest opportunity along with an explanation for the switch.
- Every participant is required to be online in the Discord/WhatsApp chat of the tournament they are participating in. Players are responsible for his or her own internet connection and ensuring they have the most up to date game version installed.
- Players found breaking the rules will be penalized. The exact punishment will be decided by IITP Esports. Examples of punishments are replay, penalty points, exiting the tournament early, a temporary or a permanent ban.
- Players found to be complaining about losing a match or found to be playing out with the spirit of the game will be named and shamed as sore losers and their team may be subject to further penalties.
- If there are suspicions that your opponent is not playing by the rules or serious lag occurs for a long time, report this to the IITP Esports team as soon as possible, before your opponent has taken advantage of the problem.

1. Team Composition

- Each team must register with a maximum of 5 players.
- Teams are responsible for their own coordination and communication.

2. Match Mode

- 1 match with time limit will be played in search and destroy, hardpoint and control mode respectively
- The objective is to win at least 2 matches.
- Elimination format will be used to determine the winning team.

INFINITO 2025 COD MOBILE RULEBOOK

- There will be one winning team at the end of the tournament.
- In case of a tie 4th match will be conducted in search and destroy mode.
- The organizing team has the right to disqualify or change the rules during the competition.

3. Conduct and Fair Play

- All players are expected to conduct themselves with respect and sportsmanship.
- Cheating, hacking, or any form of unfair play will result in immediate disqualification of the offending team.
- The decisions of the tournament organizers are final and binding.
- Player must record the gameplay if they are accusing the opponent of unfair gameplay.

4. Registration

- Only one player from each team should fill out the registration form.
- Ensure all team members' details are accurately provided during registration.

5. Miscellaneous

- Any changes to the schedule or rules will be communicated to the registered teams promptly.
- Participants should be online at least 10 minutes before their scheduled match time.
- Players must not stream the gameplay.
- Only mobile phones are allowed.
- In case of technical issue the organizers must be informed immediately.

Thank you for participating in our COD Mobile Tournament! We wish all teams the best of luck and look forward to an exciting event.
